

We Have The Right To Object!
But at what cost?
Comprehensive insider facts
you won't find anywhere.

- **709 pages of uncensored investor communications**
- **Over ten rollercoaster years in a \$255 million Ponzi scheme involving 1,400 investors.**
- **Why would a consumer advocate who teaches professionals about health, well-being and safe beauty procedures through her articles and books feel compelled to be a Ponzi investigator? Read how Orgel's personal efforts recovered an additional \$5 million for 1,399 other investors.**
- **Discover the truth about how the judicial system allowed money to be wasted, dramatically reducing the final compensation to victims, draining their settlement of millions.**
- **Find out the SEC'S role during the WexTrust Ponzi, the impact of the IRS and of the judge (who presided over the Bernie Madoff case). In the author's opinion, he disregarded the most important objections.**
- **Learn about what the investors believe was the prior Receivers misuse of their funds, resulting in seemingly unnecessary court appearances.**
